TO WHOSOEVER IT MAY CONCERN

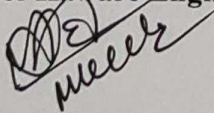

We purchased Industrial R.O.+U.V. plant 2000 LPH from C. M. Enterprises in August 2011 at our construction site (Haware City) on Ghodbandar Road, Thane. We are pleased to inform that this plant is working satisfactory till date.

We had few occasions when we required their services after installation, that were provided promptly & effectively.

We are generally satisfied & have no hesitation in recommending C. M. Enterprises to anyone.

With Best Wishes

Yours faithfully,
For **Haware Engineers & Builders Pvt. Ltd.**
