TO WHOM SO EVER IT MAY CONCERN

We are issuing this letter as an Appreciation Note for the softner plant and R. O. Systems provided by M/s C. M. ENTERPRISES for our house at Nilesh Farm, Karnala and at Om Ganesh Bungalow, Kankawali.

We would like to stress about the feature that, all machines have not given any breakdowns till date. Also, we received prompt services from the vendor on regular basis.

We really appreciate their services and prompt action.

Thanking you,

Yours faithfully,

Public Relations Officer
